Steam Engine Works,
Limehouse.

London 8th January 1864

His Excellency

Señor Don José Porges

Minister of Foreign Affairs
Asuncion

Dear Sir,

We have had the honor to receive your Excellency's esteemed letter dated the 5th Nov^r. We communicated to the Secretary of the Cotton Supply Association the information given by you Excellency as to the probability of an extensive cultivation of cotton in Paraguay - for which he has expressed his thanks - and will feel obliged for any further information on the same subject -

We forward herewith the recent publications of the Association - and in order that we may be able to send them

regularly we purpose paying at present,
a subscription of £2. 2/- We shall not
however do so in your Excellency's name, as
you would probably not desire the name of
your Government to appear as subscribers for
that small sum - writing your Excellency's
instructions should your Government think
proper to make any further contribution to the
funds of the Association -

We enclose two letters received
from the United States -

I We are, Dear Sir,

Your Excellency's most faithful servant
J. A. Plyth.
