My dear Sir

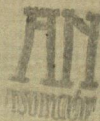

In accordance to

your official letter announcing to me the appointment of my friend Senr Barreira to the important post of Charge d'Affaires to your Government. I find the pleasure to receive your private letter of introduction in favor of Senr Barreira

It will always afford

the excellent
Senr Don Jose Borges

we much gratification
to render him any service
in any power.

I express my sincere
pleasure to find that
the Government of Paraguay
has placed confidence
in a gentleman so
truly worthy of it and
I trust that results will
prove the wisdom of
the appointment.

I have the honor to
remain very truly yours
