His Excellency

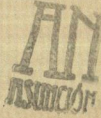

Josi Burgos.

Minister for Foreign Affairs.

Sir,

I have the honor to acknowledge the receipt of your note of August 31st with the accompanying copies of the correspondence that has recently been held by you with the Ministers of the "Republica Oriental del Uruguay" and Brazil. In this proof of confidence and good will towards the Government I have the honor to represent near this capital in thus enabling me to put before it so promptly a correspondence which is calculated to have such an important influence

not only on this but on the neighbor-
ing countries you will please accept
my sincere thanks. I shall forward
it to my government by the ear-
liest means that it may be informed
of the determination to which His Ex-
cellency, President Lopez has come in
regard to the part that will be taken
by Paraguay towards averting the dan-
gers that now seem to threaten the National
existence of the Oriental Republic -

I avail myself of this opportu-
nity to give assurances of dis-
tinguished consideration
